1st Trimester Quote and Event Essay

Any quote and event since the start of the year The quote and event **DO NOT** need to be from the same day.

1. Pick one event from the trimester and expand on it. Do research about the event and write a 150-250 word essay about the event. The essay should be in your own words. Please cite the source you used.

2. Pick one quote from the trimester and expand on it. You can do research about the author or you can write your opinion of the quote and what you believe it means. Your essay should be 150-200 words
